Leave your comments about doctors hospital reviews female consultations reviews about other medical facilities you might save someone's life. Today 11 days as we are left without a father grandfather and father-in-law in one person. Who would have thought that sending it back for another operation on the knee joint in the hospital Vishnevsky Moscow 3 Central Military Clinical Hospital named. Vishnevsky, we will lose it forever Wildly to realize that living in the 21st century giving our loved one in his hands as it seemed to us highly qualified doctors with degrees which is the surgeon Ismailov H. G. not only do we not get a positive result and are left without a loved one. Who will answer me to one question gives me no rest day or night is someone else's fault we lost his father grandfather and father-in-law because he was full of energy he didn't have to die especially on the knee operation. After all that no faith in doctors steeped in the desire to receive only its benefits in monetary equivalences was free we have no medicine there is no hope for healing that is the most terrible A bit of a reality the operation was not carried out 4 times for all 4 surgeon demanded money. Space medicine was learned later suppuration occurred. All medications had to get it ourselves. The day before he died, he called resuscitator asked for 30 thousand. I want to thank Victor BUSHUEVA L. surgeon of the 12th branch of emergency surgery 3 CVKG them. Wisniewski is the greatest specialist and kind-hearted man. Since the operation a month has passed I feel great. Also a huge thanks to all the staff of the 12th office for an attentive and responsive attitude to patients regardless of their ranks and merits. With respect Shevchenko A. Maybe I do not understand but I did endoprosthesis surgery 14.03.13, and all the time contact with the hospital no I have no money requested, and certainly not solicited. Application to host free operation, I did E. mail the call is received on the phone. The ratio of nurses for the entire period of stay in the hospital - attentive and respectful meals are good and sufficient. Doctor Maslikov A. F. high-class specialist a big thank you to him for his participation and attention. Who operated on me I due to the superstition did not know probably the whole gang headed Ismailov H. G. it has been 3 months I'm still walking with a cane did not write appreciations of superstition, but now I like to support Aida and sympathize with her grief and 40 office in the jubilee celebrations to wish you all the best and
